The screenshot displays the Domino's website interface. At the top, a blue navigation bar contains the Domino's logo, links for ORDER ONLINE, MENU, COUPONS, LOCATIONS, TRACKER, PIZZA PROFILE, and FRANÇAIS, a user icon, and a SIGN IN & EARN REWARDS link. Below the navigation bar, a white section features the text "START YOUR ORDER" followed by two red buttons: "DELIVERY" and "CARRYOUT", separated by the word "or". The main content area is divided into four promotional tiles, each featuring a pizza image and a green-bordered text box. The top-left tile advertises a "LARGE 4-TOPPING PIZZA" for "\$12.99*", with an "ORDER NOW" button below. The top-right tile promotes an "UPSIZED TO AN EXTRA LARGE 4-TOPPING" pizza for "\$3" more, also with an "ORDER NOW" button. The bottom-right tile offers "UNLIMITED MEDIUM 2-TOPPING PIZZAS" for "\$7.99 each", with an "ORDER NOW" button. A small "2 Pizzas Minimum" note is visible at the bottom of this tile. The bottom-left tile is partially obscured by the large pizza image and the "\$12.99*" price tag.
